INTERESTS

Traveling | Watching Movie | Video Games

PROFESSIONAL SUMMARY

A developer with experience in effective collaboration and a keen interest in solving problems and coming up with effective solutions. With a good understanding of Data Structure and Algorithms, and a stronghold on the MERN stack. Looking forward to starting my career with a strong focus on building great products within the role of a tech-based company.

PROJECTS

INDIWEBMALL.COM -- CLONE

This is an e-commerce website where we can buy different categories of products and coupons to shop for products and gifts.
